

Item: Speedlite (mono bloc light)

Speedlites:

Godox- Canon mount, Nikon mount, Sony mount
Nikon

Note:

- If using speedlite for off-camera flash the type of speed lite you rent does not matter
- If using speedlite for on-camera flash please specify what type of speedlite
- Speedlites do **NOT** have any compatible modifiers
- On-camera flash you do **NOT** need pocket wizards
- Off-camera flash you **DO** need pocket wizards
- Every speedlite will come with its own “feet” (pictured below)

Different Setups for Speedlites & Equipment Needed:

1. On-camera flash: only speedlite is needed to be rented
2. Off-camera flash (flash on table close to subject): a speedlite may only need to be rented if using the speedlite “feet”
3. Off-camera flash (flash farther from subject): speedlite, light stand, cold shoe.
